Visitors

Non-essential visitors are not permitted in schools.

Parents should:

- maintain physical distancing by avoiding gathering outside school gates
- remain outside school grounds
- follow mask-wearing requirements and sign-in using the Service NSW QR code when entering the school for pre-arranged meetings or visiting administration block.

Attending school

Students must not attend school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms must be sent home and not return to school unless:

- they have isolated for 10 days, when no medical certificate is available
- they have a negative COVID-19 test result and are symptom free.

In circumstances where children or staff have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.

Changes to Stage 5 electives in 2022

NESA (NSW Education Standards Authority) announced changes to the School Developed Board Endorsed Course (SDBEC) program in an official notice on 25 January 2021.

The key changes are:

Stage 5 SDBECs will no longer be endorsed by NESA, except for courses in languages for which there is no Board Developed Course (such as Auslan, or a community language) or braille. Stage 5 and Stage 6 SDBECs with no student entries recorded in 2020 or expired in 2020 have been discontinued.

Existing Stage 5 SDBECs will be discontinued at the end of their endorsement period or at the end of 2022, whichever occurs first.

Stage 5 elective course offerings are changing from Term 1 2022 following changes to School Developed Board Endorsed Courses (SDBECs). From Term 1 2022:

- students continue to undertake 400 hours of elective courses in Stage 5
- at least 200 of these hours must be Board Developed Courses, Content Endorsed Courses or VET Board Endorsed Courses which are credentialled on the RoSA (Record of School Achievement)
- the remaining 200 hours of the mandatory 400 hours are either Board Developed Courses, Content Endorsed Courses, VET Board Endorsed Courses or NSW Department of Education approved elective courses.

Changes have been made to what elective courses are being offered at Bulahdelah Central School to Stage 5 students from 2022 and this will be reflected in the new Stage 5 Prospectus which is currently being finalised. *George Frangos*

BCS Captain Induction Assembly

The incoming student leadership team for 2021-2022 was officially announced at a formal school assembly last week. The newly elected students proudly took their pledges, received their badges and signed leadership contracts in front of staff and students.

The ceremony was a little different this year due to the current COVID restrictions. A little innovation from the leadership team ensured an inspiring and unique celebration of achievement. Pre-recorded performances and video messages replaced live presentations, and although face masks covered smiling faces, the student leaders took it in their stride and presented themselves with confidence and pride.

The ceremony also provided the opportunity to congratulate the outgoing leaders for their outstanding service to the school community during the past 12 months.

The new leadership team has now officially commenced their duties and will hold their positions until the end of Term 2, 2022.

Jacob Wilkinson – Multi Category Class Captain

“Thank you for giving me the chance to be an absolutely awesome class leader. I will do a good job and make people happy, especially Mr Gladys.”

Madison Dixon – School Captain

“We believe BCS is a great school, and one that we should all be proud of. During the next 12 months, we would like to continue the work of the outgoing captains by promoting a positive school image and encouraging a respectful and friendly environment for all.”

Sally Whitelaw – Vice-Captain

“It is an honour to represent the staff and students as leaders of our school. I am excited to have the opportunity to work with the leadership team over the next 12 months and help continue to move the school forward into a great future.”

Captains: Madison Dixon, Olivia Smith.

Vice Captains: Amber Cunningham, Jaime Grant, Annee-Rose Perry and Sally Whitelaw.

MC Class Captain: Jacob Wilkinson.

Senior Leaders: Cailin Halliwell and Carol Poniris.

Prefects: Charli Alchin, Maggie Cunich, Charli Luxon, Ruby Roberts, Polly Sullivan and Nathan Hearne.

Year 9 Student Representative Council:

Caily Aberhart, Matilda Matheson and Reef Mirisch.

MIDCOAST council Youth Awards

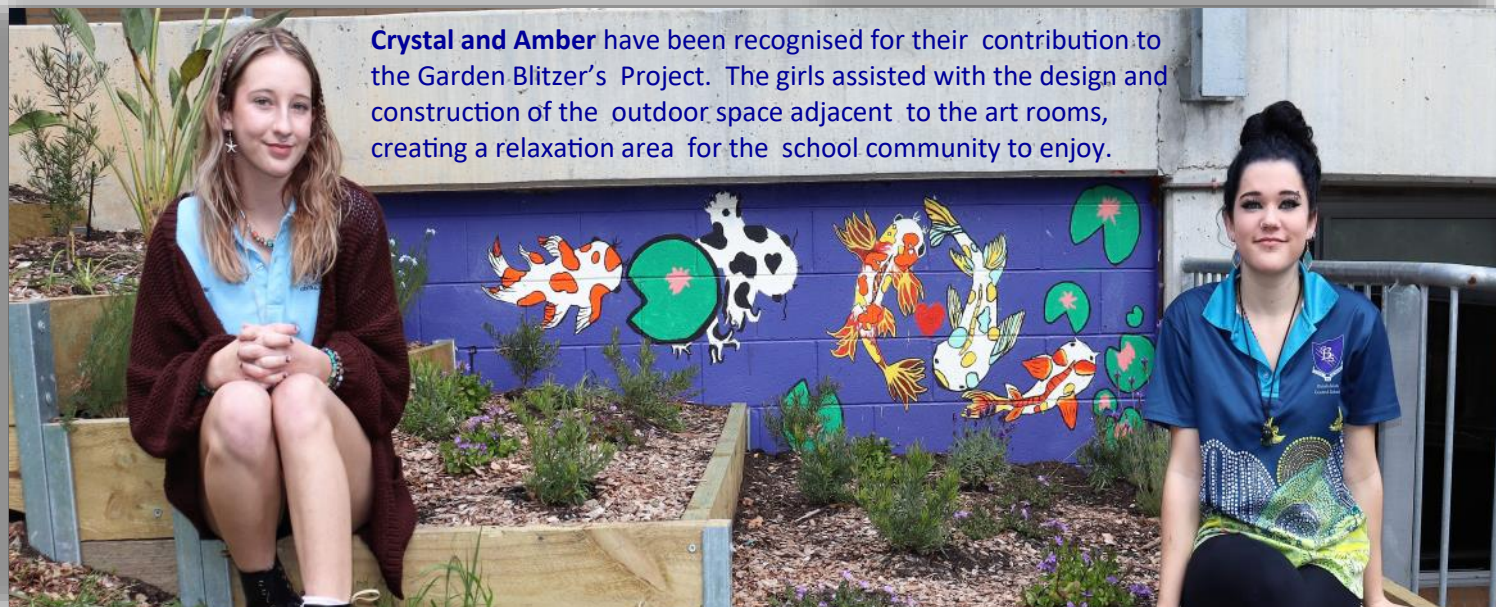

The MidCoast Youth Awards is an initiative of Taree PCYC (Police Citizens Youth Group) and MidCoast Council that recognises the valuable contributions young people aged 12-24 in the MidCoast Council region by celebrating the achievements of individuals across seven categories (The Arts, Community Service, Leadership, Sports, Wellbeing, Resilience and Entrepreneurship).

Although the winners of the awards will not be announced until later in the term, Bulahdelah Central School has students recognised in three of the seven categories.

Sally Curnow in the Arts, Seleana Murphy for Leadership and Crystal Maynard and Amber O'Bryan for Wellbeing.

Sally is a proud Worimi young woman who has excelled in the Creative and Performing Arts. Her work, which spans across the areas of painting, dance, music, drama and language, reflects her identity as an Indigenous Australian and her deep respect for her cultural heritage

Seleana is an exceptional young leader. She is well respected for her honesty, integrity and commitment to helping others. She has actively promoted the school values through her outstanding participation, exemplary conduct and commitment to her studies. *Wendy Parsons - Teacher*

Crystal and Amber have been recognised for their contribution to the Garden Blitzers Project. The girls assisted with the design and construction of the outdoor space adjacent to the art rooms, creating a relaxation area for the school community to enjoy.

I have set all Secondary students some well-being challenges. Students can decide which challenges they want to attempt. For some challenges, students can show evidence of their completion or success to a teacher. A teacher will have the opportunity to award the student with a positive incident in the Sentral system. This will go towards their points tally for rewards and excursions attached to positive behaviour and attendance. There may be great challenges for parents, carers and family members to take on too so why not give them a go? Hopefully you will feel that your well-being has improved if you do. *Warren Jones - Head Teacher Well-Being*

Spelling Bee 2021

Education Week 2020 was the perfect opportunity for the annual running of the Bulahdelah Central School Spelling Bee.

Competitors were carefully selected after challenging spelling trials sorted the hopeful from the eventual class representatives.

Students came from every corner of the school and bravely faced their peers and the English language. Words included the classic - 'the', 'cotton' – not as easy as you think, 'oyster', 'quadrangle', 'rhythm', and 'slaughter'. Every word was met with a clear determination to get it right.

A great effort was shown by all and a big well done goes to the contestants and audience for their excellence in spelling and their support of each other. *Karen Chapman - English Teacher*

Education Week

Last week we celebrated Education Week. Due to COVID restrictions parents were unable to attend some of our wonderful events. This year’s theme was “Lifelong Learners,” which is very appropriate in our ever-changing and unpredictable world. The following quote is just so relevant to both the young and not so young. *“Never stop learning and adapting. The world will always be changing. If you limit yourself to what you knew and what you were comfortable with earlier in your life, you will grow increasingly frustrated with your surroundings as you age.”*

Wow! What can we say about the Kindergarten students and their superb entertainment. The students donned their Hawaiian outfits- grass skirts and leis, and in a very heart-warming rendition danced and sang to the Hawaiian Roller Coaster Ride. It made everyone present feel like they were on a tropical island. Congratulations Kindergarten and Miss Wills on your performance and leading the assembly.

Congratulations to Pippiana Turnbull who has been selected by staff as the Police PBL Award recipient. Pippa is a student who is always kind and considerate to everyone. She is often seen supporting and assisting other students, both in the classroom and the playground. She also is a great helper to the teachers as well and is a great ambassador for the PRIDE values. Congratulations Pippa on your well-deserved recognition.

Also recognised for their determination, cooperation, and willingness to assist others are our weekly Pizza Award recipients. The Importance of 10 Minutes a Day

Did you know that just 10 minutes of reading a day will change your child's life?

While that may seem like a big statement to make, numerous studies have consistently shown that 10 minutes exposure to reading materials each day is all it takes to positively shape your child's future.

And this doesn't just include complicated educational texts—any reading materials, be it comic books, novels, picture books, recipes, magazines or the back of food packets, all count towards your child's daily reading goal.

Reading any of these materials for 10 minutes a day exposes your child to more than 600,000 words in one year—interestingly, that's more than double the word exposure of a child who only reads for 5 minutes or less each day.

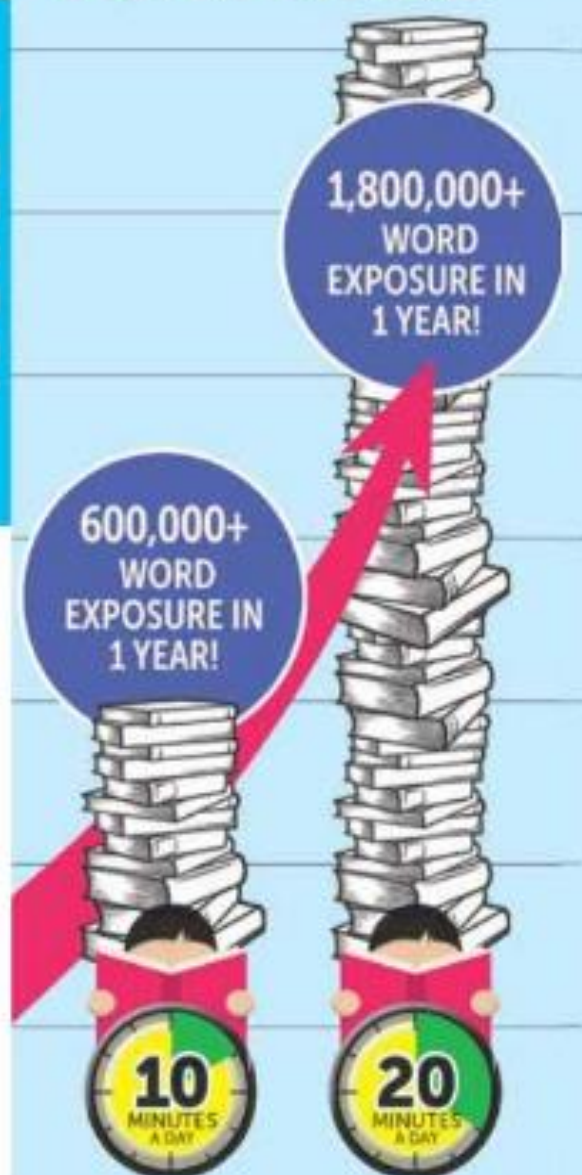

How can you ensure that you can comfortably set aside some time each day to help your child reach their reading goal?

We've put together a few reading tips to help:

- Look through Book Club catalogues with your child and talk about the books you would like to read together. Discuss what you think the books might be about.
- Be a reading role model and let your child see you reading for enjoyment, for news and for information in cookbooks, magazines, online etc. This way they see that reading is important for many reasons.
- Assign a place in your home for your family's books to show your child that books are special and deserve an organised storage space. Fill your home with lots of reading materials.
- If space allows, create a special area for your child to dedicate to reading. Make sure your child puts aside phones, tablets and any other devices that may form a distraction.
- Tie books and TV/movies together. For example, read about sea life after watching a nature documentary on the ocean. Or, connect books and experiences together. For example, after a school excursion to the zoo, read books about animals.

"Be a reading role model and let your child see you reading."
